RUTHERFORD

Like the bountiful and scenic wine appellation of Napa Valley, the Rutherford Series reflects with clarity the simple beauty and stately elegance of the new world.

Lavatory Faucet with Handle 484

Roman Tub Set with Handle 485

Single Hole Lavatory Faucet with Handle 482

Handle 481

Lavatory Faucet with Handle 025

CÔTE D'OR

The "terroir" of the Côte D' Or Series is the "golden" interplay between gentle angles & shapes, the exposure of gleaming, rich finishes and the composition of style and technology.

Roman Tub Set with Handle 026

Thermostatic Set with Handle 025

Thermostatic Shower Set with Handle 090

NOUVEAU

Available only in lifetime true stainless steel, the Nouveau Series, with its sleek, sophisticated lines, is sure to please the “palette” of any contemporary design lover.

Lavatory Faucet with Handle 090

Square Towel Holder

Bridge Lavatory Faucet with Handle 481

SANCERRE

Artistically emulating the Loire River Valley in one of the oldest appellations, the full-bodied, Sancerre Series flows with graceful arches and bold curves in a plethora of resplendent finishes.

Handle 486

Wall Mounted Lavatory Faucet with Handle 486

Lavatory Faucet with Handle 485

ST. JULIEN

Roman Tub Faucet with Handle 466

Inspired by the
 appellation with
 time-honored
 traditions of
 consistency and
 world-renowned
 excellence,
 the quintessential
 faucets of the
 St. Julien Series
 possess a sculpted
 form of natural grace
 & fluidity of line.

 with Handle 482*

Handle 465

*Lavatory Faucet
 with Handle 482*

*Lavatory Faucet
 with Handle 158*

Handle 157

*Wall Vessel Set
 with Handle 157*

With striking
 similarity to the
 wine of the Medoc,
 the delicate,
 “suppleness” of the
 Margaux Series
 belies its solid
 construction and
 propensity to
 last a lifetime.

Roman Tub Faucet with Handle 158

MARGAUX

RESERVE *Collection*

Uniquely superb and individually tasteful are characteristics that define the Reserve Collection from SIGMA Designer Faucetry. Like the wines from the world's best-known appellations that have inspired their names, each series of faucets in the Reserve Collection has been carefully engineered, harmoniously balanced for proportion and detail, and expertly designed to function flawlessly. "Connoisseurs" of fine homes will appreciate the years of work and the advanced technology that have combined to make these faucets timeless. Ranging from traditional to contemporary, the Reserve Collection is sure to become the defining centerpiece of any luxurious bath.
